

SUPPORTING MEMBERSHIP FOR RESTAURATEURS AND RETAILERS

Every bottle of Lemonaid und ChariTea makes a social contribution – it means the Lemonaid & ChariTea e.V. can finance important development projects in Sri Lanka, Paraguay and elsewhere.

This also means that anyone who sells Lemonaid & ChariTea drinks is supporting our good work! For this, we'd like to say a big thank you on behalf of all the projects we support.

If you'd like to find out more about the work of our charitable organisation and its various projects, we'd be happy to make you an official supporting member. There's no membership fee, in contrast to the arrangements for our regular members. You're already contributing by selling Lemonaid and ChariTea drinks.

About the organisation

LemonAid & ChariTea e.V. is a charitable organisation which exclusively and directly serves charitable aims.

The organisation aims to help others to help themselves, as a contribution to the sustainable improvement of social, economic and ecological structures in regions which face many disadvantages in the global economy. Many problems in the so-called “third world” can be solved with the autonomous participation of local people. Therefore the organisation supports projects that encourage political, economic and cultural participation.

In this way, educational projects offer young people better long-term career perspectives; cooperative, organic farming helps farmers earn a livelihood independently of large-scale landowners. Because local people are best-placed to know where support is most urgently needed, the organisation focuses its funding on small, local organisations and initiatives. To date, more than 1.200.000,- euros have been raised for development projects.
